

PRODUCT SPECIFICATION**Art Nr. 370018**

Product:	Silver PP perforated
Product code:	370018
Description:	Three layer PP - laminate; woven PP - strengthening structure, double waterproof PP layers. UV-stabilized. Water and vapour proof, colour silver grey. Microperforated, diffusion open.
Installation:	Slightly draped, overlap min. 150 mm.
Usage:	Roof underlay for tile roofs, corrugated steel sheet roofs, etc.
Package:	Roll, width 150 cm, 75 m ² / roll, pallet 140 rolls/ pallet

Technical information:

Characteristic	Unit	Value	Standard
Dimensions			prEN 1849-1
- length	m	50	
- width	m	1,5	
- roll area	m ²	75	
- straightness	mm/ 10 m	<20	
- area weight	g/ m ²	90	
Water proofness (50 mm water column)		class B	EN 1928
Water vapour transmission	g/ m ² / 24H	12	DIN 53122
Tensile strength			EN12311-1
- longitudinal direction N/ 50 mm	475		
- cross direction	N/ 50 mm	475	
Tearing strength	N	60	DIN 456
